**THE LADY WITH THE CAPE COAST GUY -TOO MANY LOVE TEXTS**

[Akumaa Dongotey Padi](#)

[11 hours ago](#)

Hello Mama Zimbi, My name is James and of 27yrs old from Capecoast, I have been in a relationship with this girl for 6Months now, when we first met,, she was everything a man could ask of a woman and i always praise her and let her know how much im proud to have a woman like her in my life. Once a time, i saw a some text messages on her phone which shows she was telling a different guy how much she love him. I got upset and felt hurt seeing that but she apologise that it wasnt what i was thinking. Fine, I gave her the benefit of the doubt though there is always locks everywhere on her phone.

For the past two months she has changed totally, I called and talked to her about her behaviour and keep talking to her about it cause cause that wasnt the woman i knew and fell in love with. I asked if i have wronged her in anyway?.for me to apologise.She couldnt answer!! I asked, whats happening to our relationship? she claims everything when she and i knew nothing wasnt fine. Well out of anger, I told her to go and [work](#) on her attitude

if she really wants me as much i want her, otherwise am out of the relationship..... Mama, do you think thats the best decision ever ?? Need your opinions. Pls no insult from your fans.!

## ewe AND ASHANTI RELATIONSHIP?

[Akumaa Dongotey Padi](#)

[about an hour ago](#)

Mama please do me a favour n post this for me. I need ur advise not insult pls.

I have a friend who is my heart desire. We have been friends from infancy. we are both more than thirty years now. we help each other in terms of advise n also financially.

One morning, we were talking about our past from school, so i told her i didnt pass all my subject becos i was a sports girl n was a best for the region during our time which she knows, so due to that, i didnt have time to learn. All what she could tell me was that, it was because of my stupidity which led me to where i deserved!

Mama, I wept like a baby that day, not only that day but any time i think about it. She told me many painful words which i cannot say all now.

Years after, she went in for a guy n they were lovers for five years by then, but she doesnt go to the boyfriends house because, the guy told her, his family, expecially his mother dont like Ewes. my friend is an Ewe n his guy is an Ashanti. So they force him to marry a lady from their hometown, which he did but dont love her, so for that matter he had sex with her only once just after their marriage. N because he doesnt take care of her, she packed n left with many curses, so he doesnt know her whereabouts.

He also told my friend he is in the room alone without his wife, but because of the curses, she shouldn't come there. so the guy rented a room for her, n he Always come to her.

So I told my friend the guy is not telling her the truth, n she told me we should make an investigation n see if what the guy says is true. After the investigation in two days, we realised that the guy is leaving with the same lady with their two children.

I advised my friend to stay away from him because he is a wedded married man.

because of the advise i gave her, little did i know that she hates it n she Always disgrace me n says many shameful n painful things about me to her friends, but they also dont tell me. She told them I jealous her because his boy friend is taking good care of her.

she also told her friends that, she will appreciate it if I leave her life as a friend. still her friends didnt tell me.

I bought her a cloth n suit from the first salary i had because she helped to find a job, just to thank her.

Hmmmm! Mama! my best friend told her friends a pastor told her i took her to a malam n the malam told me to buy her this things to exchange her glory which God gave her.

This guy impregnated my friend n she gave birth to a baby boy without marrying her.

I continued buying cloth and other things for her and the baby.

Infact, I got to know all this after she gave birth for six months. when i heard all about this, I didnt asked her any thing because i was shocked n hurts. one day i was in the room crying when our friends past by to say hi n she realised i am crying n when she ask me n i told her everything so she comfort me n told me she will ask why she keep on doing that.

The lady asked about what i told her, so my friend sent me a text msg asking me to forgive her but did not call me. I was soo hurts to extend that i didnt reply to her msg. So when she realised i did not reply to her msg, she got angry n gave all the things i bought for her including the once for her baby, to her friends.

She did not call me n I also dont call her till I left Ghana to my marital home.

I still like n love her but I dont want us be friends anymore.

what do i do?

Maamle Sent.

## GOD BLESS U

### FOOD FOR THOUGHT

#### THE GREATEST GIFT IS LOVE

A woman came out of her house and saw 3 old men with long white beards sitting in her front yard. She did not recognize them.

She said, "I don't think I know you, but you must be hungry. Please come in and have something to eat."

"Is the man of the house home?", they asked.

"No", she said. "He's out."

"Then we cannot come in", they replied.

In the evening when her husband came home, she told him what had happened.

"Go tell them I am home and invite them in!" The woman went out and invited the men in. "We do not go into a House together," they replied.

"Why is that?" she wanted to know. One of the old men explained:

"His name is Wealth," he said pointing to one of his friends, and said pointing to another one, "He is Success, and I am Love."

Then he added, "Now go in and discuss with your husband which one of us you want in your home."

The woman went in and told her husband what was said. Her husband was overjoyed. "How nice!!", he said.

"Since that is the case, let us invite Wealth. Let him come and fill our home with wealth!"

His wife disagreed. "My dear, why don't we invite Success?"

Their daughter-in-law was listening from the other corner of the house.

She jumped in with her own suggestion: "Would it not be better to invite Love? Our home will then be filled with love!"

"Let us heed our daughter-in-law's advice," said the husband to his wife. "Go out and invite Love to be our guest."

The woman went out and asked the three old men, "Which one of you is Love? Please come in and be our guest." Love got up and started walking toward the house. The other two also got up and followed him. Surprised, the lady asked Wealth and Success: "I only invited Love, Why are you coming in?"

The old men replied together: "If you had invited Wealth or Success, the other two of us would've stayed out, but since you invited Love, wherever He goes, we go with him. Wherever there is Love, there is also Wealth and Success!"

God bless you!!!

## QUARTER DUMB KID?

Dumb as Einstein

A young boy enters a barber shop and the barber whispers to his customer, "This is the dumbest kid in the world. Watch while I prove it to you."

The barber puts a dollar bill in one hand and two quarters in the other, then calls the boy over and asks, "Which do you want, son?" The boy takes the quarters and leaves.

"What did I tell you?" said the barber. "That kid never learns!"

Later, when the customer leaves, he sees the same young boy coming out of the ice cream store. "Hey son, may I ask you a question? Why did you take the quarters instead of the dollar bill?"

The boy licked his cone and replied, "Because the day I take the dollar, the game's over!"
